⌚ MEA, CIS

INTRODUCTION

ONE TOUGH ANIMAL

► OUR MISSION

We empower operators to accomplish more, while working in the toughest conditions and tightest situations. When our customers have the will, we provide the way.

► BOBCAT'S HISTORY

In 1958, Melroe Manufacturing Company introduced a compact front-end loader that evolved quickly into the M400, the world's first true skid steer loader. The company soon adopted what became the world-famous 'Bobcat' brand – and its success paved the way for the global compact equipment industry we know today.

► YEARS OF EXPERIENCE

In 2021, Bobcat expanded its portfolio by acquiring Doosan Industrial Vehicle. This specialist in material handling equipment constructed its first forklift in 1968 and went on to establish a global presence with 400 dealers in 93 countries.

► BOBCAT TODAY

Now, with a diversified portfolio that includes forklifts and warehouse equipment, Bobcat serves as a one-stop solution for intralogistics needs, from loading shipping containers to optimizing warehouse operations. Made according to the highest manufacturing standards, Bobcat's material handling machines offer the precision and durability customers expect.

TOUGH, AGILE & SAFE

► DESIGNED FOR PRODUCTIVITY

With high-performance engine, fluid, intuitive controls, superior operator comfort, and a host of safety features the Bobcat D40S-5 Series are ready to boost the productivity of your business while keeping spending in check thanks to a low cost of ownership.

► POWERFUL AND EFFICIENT

Get more done daily thanks to a high-performance engine with 2-speed power shift transmission and up to 67.7 kW of power to boost productivity in every task. **P. 6–7**

► COMFORTABLE ALL SHIFT LONG

Enjoy the comfort of a spacious cab with plenty of leg room, deluxe suspended seat, integrated instrument panel, tiltable steering column, and many more features. **P. 8–9**

► SAFETY FIRST

Protect your investment, workforce, and handled goods. Excellent all-around visibility, reliable oil-cooled brakes, and a host of other safety features come as standard. **P. 10–11**

► BUILT TOUGH

This series delivers reliability through features like robust mast design, engine shutdown, and anti-dust frame & component so you can enjoy the power of Bobcat for years to come. **P. 12–13**

OUTSTANDING PRODUCTIVITY

SEAMLESS SHIFTING

Experience seamless transitions between tasks or adjustments to different conditions with our 2-speed autoshift transmission, allowing you to achieve the perfect balance between precision and movement.

BUILT TOUGH

The superior hydrostatic steering system is designed for high shock absorption, while the rugged frame, fully floating drive axle, and oil-cooled brakes ensure years of productivity, all day, every day.

HYDRAULIC CONTROL

Experience the convenience of hydraulic control for lifting and tilting, providing efficient and precise handling for all your material transport needs.

OIL-COOLED DISC BRAKES

Enjoy oil-cooled disc brakes for better braking and faster cycles, giving you the confidence to navigate and stop quickly. This enhancement significantly speeds up task completion and boosts overall productivity.

COMFORT & CONTROLS

► IMPROVED VISIBILITY

Benefit from improved operator visibility in all working positions, thanks to a wider mast window, repositioned hydraulic hoses, and a flat bar-style overhead guard.

► DELUXE SUSPENSION SEAT

The deluxe suspension seat is designed for operator comfort, offering a larger seat back angle, extended seat travel length, and operator's weight resistance on the front side, allowing for multiple adjustments to create the most comfortable seating experience.

► SPACIOUS OPERATOR COMPARTMENT

The cab's ample leg room, adjustable steering column, and ergonomic operator pedals ensure ease of entry and exit for the operator.

► INTEGRATED INSTRUMENT PANEL

The centralized and user-friendly instrument panel enhances operator efficiency by providing easy access to critical information such as fuel gauge, engine hour meter, engine oil pressure, coolant levels, and more, ensuring operators are constantly informed about the vehicle's performance.

► CONVENIENCE TRAY

This truck comes equipped with a handy convenience tray that stores refreshments, paperwork, small tools, and more, for more efficiency on the job.

► EASY ACCESS

The low step height, complemented by an easy entry grab bar and an anti-slip step plate, facilitate easy and safe operator entry and exit.

► OPTIMUM PEDAL SYSTEM

The Optimum Pedal System (OPS) – equipped with a new electronic accelerator – is designed to reduce operator fatigue and deliver the best driving experience for the operator.

SAFETY IN EVERY MOVE

► **ADVANCED PROTECTION FOR YOU AND YOUR OPERATION**

Bobcat forklifts have safety embedded in their DNA. Packed with tons of features that protect your health and your investment, these machines give you peace of mind in every task, every day.

► **OPERATOR SENSING SYSTEM**

Our Operator Sensing System (OSS) ensures that whenever the operator leaves the seat, the truck's travel and mast lifting functions automatically stop. This intelligent system prevents unintended forklift movements when the operator is not seated, enhancing safety in the workplace.

► **MAST LOWERING INTERLOCK & TILT LOCK**

The Mast Lowering Interlock & Tilt Lock system prevents unintentional lowering and tilting of the mast, safeguarding both the truck and the load while maintaining a secure work environment.

► **BACK-UP ALARM**

The back-up alarm emits a warning signal when the operator is driving in reverse, alerting those nearby and further ensuring safety in the workplace.

► **REAR GRAB BAR**

Boost your workplace safety with the help of a conveniently-placed rear grab bar that gives you a stable point to hold onto when operating the truck in reverse or when maneuvering in tight spaces. There's also a horn button to be pressed with your thumb whenever you need to.

► **SEAT BELT INDICATOR**

Enhance safety in your forklift operations with the seat belt indicator, to protect both your team and your business.

► **PARKING BRAKE ALERT**

Our parking brake warning system prioritizes operator safety and safeguards against accidental movement.

► **BRIGHTER AND SAFER**

Experience a brighter, safer, and more efficient workday with our front lights, combination lamps and additional rear light.

► **REAR-VIEW MIRROR**

The rear-view mirror provides more visibility, preventing accidents while reversing and avoiding collisions with objects and pedestrians, ensuring a safer work environment.

BUILT TO LAST

► **A HERITAGE OF RELIABILITY**

The superior hydrostatic steering system is designed for high shock absorption, while the rugged frame, fully floating drive axle, and oil-cooled brakes ensure years of productivity, all day, every day.

THERE'S NO TIME FOR DOWNTIME. STAND UP TO EVERY TASK THAT COMES YOUR WAY. DAY AFTER DAY.

2 YEAR WARRANTY

► **WARRANTY**

Bobcat develops every machine to the highest standards of quality and durability. That's why our standard warranty provides 24 months or 2 000 operating hours (whichever occurs first) of coverage.

► **PROTECTION PLUS EXTENDED WARRANTY**

Enjoy total peace of mind with Protection Plus extended warranty. Providing the same level of protection as the standard warranty, Protection Plus also reflects different customer needs and expectations by offering a choice of durations and annual operating hours.

► **EXTENSIVE DEALER NETWORK**

You can rely on our network of dealers and service partners who are always ready to help you.

► **BOBCAT GENUINE PARTS**

Quality components delivered to our dealers guarantee that all of our equipment is built to last, withstand the toughest conditions and provide reliable performance.
